

LOVE PILLOW

13" X 18" FINISHED

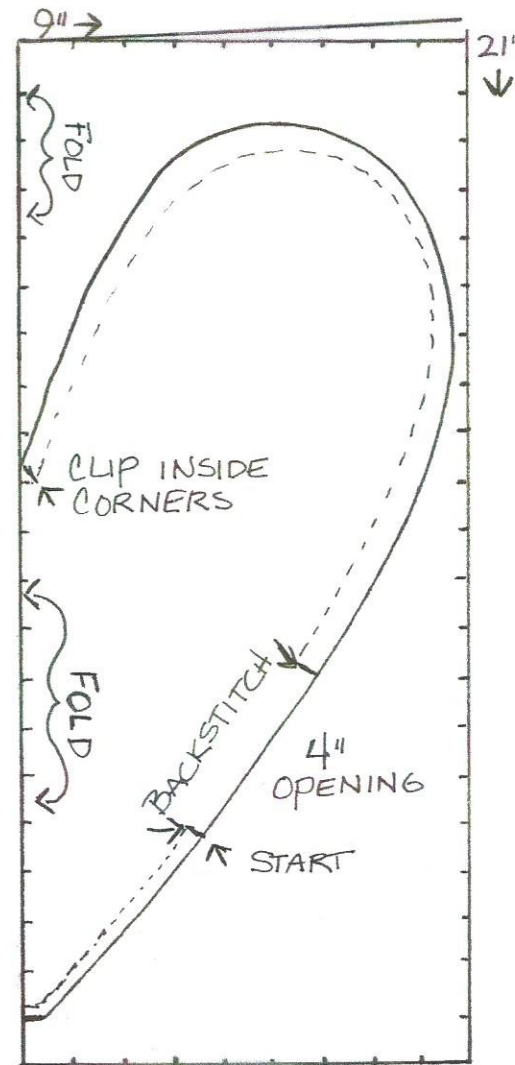

REQUIREMENTS :

1/2 YARD FABRIC or 2 FAT QUARTERS

POLYESTER FIBERFILL

I use FAIRFIELD® POLY-FIL

- 1) FOLD FABRIC RIGHT SIDES TOGETHER AND PRESS - 18" X 21"
- 2) FOLD AGAIN TO CREATE 9" X 21" RECTANGLE AND PRESS
- 3) PLACE THE PATTERN ON THE FABRIC WITH THE FOLD CORRECTLY PLACED AND PIN
- 4) CUT THE HEART OUT ON THE LINE.
- 5) OPEN THE FABRIC HEART AND PRESS
- 6) YOU MAY WANT TO PIN THE FABRIC BEFORE STITCHING
- 7) STARTING AT THE 'START' - STITCH AROUND THE PILLOW USING A 1/4" SEAM. BACKSTITCH START AND END - LEAVE A 4" OPENING
- 8) CLIP THE INSIDE CORNERS.
- 9) TURN RIGHT SIDE OUT AND STUFF
- 10) HAND STITCH THE OPENING CLOSED.

The elongated design is intended especially for those who have had breast cancer surgery. The shape fits comfortably under the arm and functions to cushion the chest, especially against the seat belt.
